Trinidad and Tobago COVID-19 (Novel Coronavirus) Update # 321

Port-of-Spain, July 7, 2020: As part of the national drive to safeguard the health of the Trinidad and Tobago population in the face of the global COVID-19 outbreak, the Ministry of Health continues to provide up-to-date information on the country's status in this regard.

As of the **afternoon of Tuesday, 7th July, 2020** the Ministry reports the following:

Number of samples submitted to the Caribbean Public Health Agency (CARPHA) and the UWI site for testing for COVID-19	5648
Number of samples which have tested positive	133
Number of deaths	8
Number of persons discharged	117

The Ministry of Health provides the following update:

- All remaining 290 nationals from the Enchantment of the Seas vessel, who received negative COVID-19 test results, have been discharged. These nationals are required to home quarantine for a stipulated period of time after discharge; seven (7) days in the first instance. They will be monitored by the County Medical Officers of Health who, with the assistance of the Trinidad and Tobago Police Service, will ensure full adherence to home quarantine rules.

Members of the public are reminded that they must to adhere to the 'New Normal' recommendations and take the following personal health measures to protect themselves and their loved ones from COVID-19:
