The Ministry of Health provides the following update:

- Seventy-eight (78) additional persons have tested positive for COVID -19.

**The seventy-eight (78) positive cases reported shows results from samples taken during the period September 4<sup>th</sup> to September 17<sup>th</sup>, 2020. Therefore, this figure is NOT representative of the positive cases over the last 24 hours only.**

- Eight (8) persons have been discharged from public health facilities
- There have been seven hundred and sixty-four (764) **recovered community cases**. **Recovered community cases refer to persons who were previously COVID-19 positive and in self-isolation at home and subsequently met the discharge criteria and were released from self-isolation.**

**The seventy-eight (78) new patients will be processed for admission at the discretion of the CMOHs.**

Intensive Care Units (ICUs) are hospital wards that provide treatment for people who are very ill. They are staffed with health care professionals who are trained in ICU treatment and the use of sophisticated monitoring equipment.

High Dependency Units (HDUs) are wards for people who need more observation, treatment and nursing care than is possible in a general ward but slightly less than that given in an Intensive Care Unit.

An Ambulatory Patient is able to walk about and is not bedridden.

If you or a loved one develops symptoms of COVID-19, please call the hotline 877-WELL or 800-WELL (9355) for further guidance. If the person is severely ill, call the 811 (emergency hotline) or call ahead to the Accident and Emergency Department of your nearest hospital for help and go in immediately.

The Government of Trinidad and Tobago will continue to update the public via its official communication channels such as the Ministry of Health's website ([health.gov.tt](http://health.gov.tt)), the Ministry of Communications Websites ([moc.gov.tt](http://moc.gov.tt) and [news.gov.tt](http://news.gov.tt)) and the relevant social media pages of these entities (Facebook, Twitter and Instagram).
