The Ministry of Health provides the following update:

- 55 additional persons have tested positive for COVID -19
These new 55 new patients will be processed for admission at the discretion of the CMOHs.
- 105 persons have been discharged from public health facilities
- 74 are recovered community cases
Recovered community cases refer to persons who were previously COVID-19 positive and in self-isolation at home and subsequently met the discharge criteria and were released from self-isolation.
- The Ministry of Health regrets to inform the public that **there have been 2 additional COVID-19 related deaths**. Both persons are elderly males with comorbidities. This brings the total number of COVID-19 related deaths to 74
